**Please offer bread ONLY to those guests who SELF identify themselves or who are introduced by church members. The new procedure for distributing bread is to take 3-4 white paper bags from the drawers under the nametag kiosk in which to place the bread. The bag will already have a brochure in it. If you have any bags with bread left over, DO NOT PLACE THEM IN THE FREEZER. You may place the bag with the bread on the counter in the kitchen to be used by the 10:15 AM Greeters.**

**The brochure is key to the ability of All Saints clergy and follow up welcoming committee to be able to contact potential new parishioners. Ask people with red name tags if they have filled out a brochure. There are extra brochures in the sign-in desk.**

**Please take time to read the instructions for Greeters in the drawer where the nametags are stored. We no longer have a guest book. NEW visitors are to be given a brochure that tells them about All Saints. Ask them to fill in the flap and put it in the collection plate if they would like to be contacted. If visitors are returning or returning visitors, please request that they put their names on the list and a special nametag with red print will be made up for them and can be placed in the kiosk. Having visitors put their names on the sign up sheet or on the tear off page of the brochure is the only way we can follow up with visitors.**

**We have a prayer in the drawer that all greeters are asked to recite before they begin their Sunday duties. It asks God to keep us focused on our ministry of the morning.**

**If you are unable to serve on your appointed day, please switch with someone and notify Marilyn Adams at the Parish Office (843-681-8333). Thank you for serving.**
