Please offer bread ONLY to those guests who SELF identify themselves or who are introduced by church members. The new procedure for distributing bread is to take 3-4 white paper bags from the drawers under the nametag kiosk in which to place the bread. The bag will already have a brochure in it. If you have any bags with bread left over, DO NOT PLACE THEM IN THE FREEZER. Put the bread in the freezer and the bags back in the kiosk drawer.

The brochure is key to the ability of All Saints clergy and follow up welcoming committee to be able to contact potential new parishioners. Ask people with red name tags if they have filled out a brochure. There are extra brochures in the sign-in desk.

Since we will be having new clergy—an interim priest and then a new rector- Greeters are encourage to remind parishioners to wear their nametags. If someone doesn't have one, he or she may put his or her name on the Sign-Up Sheet at the Greeter Desk. A returning visitor can have a nametag with red lettering printed up, a “regular” parishioner will get a nametag with black lettering. Nametags will help new clergy and are helpful when Exchanging the Peace and at Coffee Hours as well as Parish Functions like the Annual Meeting , Adult Education Meetings and ECW.

Please take time to read the instructions for Greeters in the drawer where the nametags are stored. We no longer have a guest book. NEW visitors are to be given a brochure that tells them about All Saints. Ask them to fill in the flap and put it in the collection plate if they would like to be contacted. If visitors are “occasional” visitors or returning visitors, please request that they put their names on the list and a special nametag with red print will be made up for them and can be placed in the kiosk. Having visitors put their names on the sign-up sheet or on the tear off page of the brochure is the only way we can follow up with visitors.

We have a prayer in the drawer and taped to the Greeter's Desk that all greeters are asked to recite before they begin their Sunday duties. It asks God to keep us focused on our ministry of the morning.

If you are unable to serve on your appointed day, please switch with someone and notify Marilyn Adams at the Parish Office (843-681-8333). Thank you for serving.
